The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

Attendance 95.78%

Punctuality 96.23%

You are making good progress and always work hard to complete set tasks. You have good study skills and work well with others in the class.

Speaking and listening - You are confident and can express yourself clearly. You need to use the present more in your speaking e.g. 'I haven't finished reading that book yet'.

Reading - in the last mock test you scored 77%. This is good but you still need to develop skills in identifying key words and phrases in the text. Read text in detail to obtain specific information and identify the key points. Read a short newspaper article and highlight the key points.

Writing - you are gaining confidence but need to use preposition in, to, for, at, from accurately. You are aware of this and have used grammar exercised to help.
