The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Sara must prepare herself and workstation straight away to complete tasks **Smart Targets:** within time. This must start to improve for the new term starting January 5th

2012.

Sara is a pleasure to teach. She enjoys her practical session and works hard to achieve her desired look. Sara would be able to complete her task if she gets herself prepared straight away. She could also maintain her focus by not

talking so much with her peers. However when focused she works very well.

Review Term: Spring

Review: Sara you must improve your attendance as this will help you to progress. It's important that you concentrate while you are in the lesson to be able to learn and complete tasks to deadline.

Issues Raised:

Sara when you are in the class you like to talk alot with your peers. In order to progress and complete your tasks you must maintain you focus.

To progress you also need to prepare yourself, your work station straight away and listen.
