The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Hand in all work for this unit Monday 16th January

> You need to put all your work together for this unit and hand it in. You did good on the event, so this is about collecting the evidence and tackling the

tasks. I would be disappointed with less than a Merit.

Mandy Hayward.

I am not happy with your focus, behavour and quality of work you are

submitting and I believe they are all linked. You need to change or you will be obtaining low grades in my units as I am not prepared to mark your work more

than twice until you pass. So sort it out.
