The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Help from a Mentor

This year 520 of you have used the mentoring service and 38 experienced and skilled students have trained as mentors.

Mentoring can provide an extra bit of help to succeed on your course. When you register you will get a specific mentor who is studying in the same vocational area as you. You will agree a period to get help: usually this is for 6 weeks at first and may be a 1 hour session a week. You would be likely to meet your mentor in a small group.

The mentor can't do your assignments or give you answers to assessed questions but they can help with getting the structure of your essay right, developing research methods, showing you how to tackle a problem and give advice on planning time for studying.

For more information on how to get support with your coursework, call the HUB at Enfield on

020 8443 3434/Extn: 2675 or the Mentoring Centre at Tottenham on 0208 442 3753.

Review Term: Autumn

Review:

You are progressing well on your chosen course, you are meeting targets and responding to tasks set by your tutors.

Please try to book your personal appointments out of college time to avoid missing any course work

Issues Raised:

I would encourage you to ask family and friends to visit your client sessions once all delivery has taken place in block 3.

I also suggest that you book yourself into the drop in sessions in the LRB to support your literacy needs
