#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

To improve her attendance to 87% in theory/practical sessions in hair

Bircan is progressing very well in all her subjects so far. She has completed 74% of her hairdressing exams and is due to sit G3 within the next 2 weeks.

Comments: Bircan is keen to do an apprentiship when she completes her L1 and I have

suggested that she works in a salon and this will enable her to be in with a

good chance of getting on the scheme.
