As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

She is on a thirteen-hour programme where she attends ESOL, ICT, numeracy, group & one to one tutorial sessions. She will be taking Listening & Speaking exams by the end of the year

Whilst at the College, she has always been punctual, reliable, and always ready to get involved in various academic and additional projects.

She is also able to build up a positive rapport with her classmates.

Issues Raised: Your attendance went down in October but you have improved it a lot, well done.

Berivan, has continued being an excellent student. Her attendance is 85% and punctuality is 100% at the moment.

She has done very well and passed her mock test. She is now getting ready for her Speaking and Listening exams which will take place on 12th March. She has agreed to be withdrawn from the college once she is passed her exams.

She is working towards a qualification called PSD (Personal Skills Development). She has completed 2 of the assignments - Working Towards Goals and Healthy Living. He will still need to complete 5 more assignments in order to get her qualification. These are; Dealing with Problems in Daily Life, Developing Self, Preparation for Work and Working as a part of a Group and Preparation for Work. These assignments are mainly completed during the lessons but some tasks have to be completed for homework.
