The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments:

Initially Sandra did not focus at all but lately she has been working more and more. Sandra is starting to settle and does not miss lessons now. Sandra lacks confidence but is able to add and subtract. Struggles with multiplication and division due to not knowing her timetable's. Struggles to read the questions which makes her despondent.
