As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Spring

Review:

Stuart is not unhappy with anything but is particularly happy with the current classroom atmosphere. He has already identified the work related activity he wishes to use for his current assignment (Developing Skills for Working in Housing).

Stuart feels lucky to be very supported by his line manager and Marie discussed possible future progression with him.

Issues Raised: No areas of concern.
