# **Learner Review**

09 January 2012

**Learner: Ibrahim Azam** 

Personal Tutor: Laura Aghassi

### **Key to Attendance and Punctuality percentages**

- 100% to 92% is green status
- 91% to 87% is amber status
- 86% and below is red status

#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Gregs Units - Independent learning

Ibrahim, you have made a good start to the year and have shown copious

amounts of zeal and enthusiasm.

Comments: You need to think about the answer and then attempt to answer it in full faith

of your own ability. You will begin to see that you will be less dependant on assistance. Try it. Anyway you are doing well and so continue to do so.

Gregory Scott.
