The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review: Ryan has settled into the group and has shown good use of hand skills in the workshop, he has completed 3 training tasks and shows good awareness of H&S. In theory he has nearly completed Unit CC1001K and will sit the online end of unit questions in the next couple of weeks
