The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

You are progressing well on your chosen course, you are meeting targets and responding to tasks set by your tutors

Please try to book your personal appointments out of college time to avoid missing any course work, or practice skills hairdressing related

If you can I would advise you to slot yourself into an additional practical session to gain further assessments for hairdressing. All you will need to do is ask hairdressing reception the following

Days

Times

Note: Ensure that any additional times have been scheduled out of your normal timetable

Issues Raised:

I would encourage you to ask family and friends to visit your client sessions once all delivery has taken place in block 3.

I also suggest that you book yourself into the drop in sessions in the LRB to support your numeracy and literacy needs, this will support you through the duration of the course in preparation for your future goals

Jennifer Hylton.
