The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Darlene has shown that she is an excellent students throughout the course. She is very bright and has excellent command of the english language which enables her to express ideas and evaluate performance to a very high level. I am sure that she will excel in university and be a success in life, as long as she makes every effort to network and expose her talent to the wider creative community. Keep up the drive and determination - I hope that you acheive all your goals over the coming years.

Smart Targets: Practice observational drawing at home

It is vital that you draw at home to support the work that we do in class, we have very limited time for this unit and a great deal of work to get through.

Practice the skills we learn in class and you will quickly become skillful

drawing from obsevation.

Smart Targets: Attend all lesson and meet deadlines.

Students are working towards the creation of a Stop Motion Animation TV advert. Learners are currently researching the historical developments of film and editing techniques and Stop Motion Animation. For task 1, students are to write a report and produce a timeline illustrating the history of Stop Motion

Animation.

Comments:

Darlene's attendance and punctuality has improved, her report on the Historical Developments of Editing was fantastic and is near distinction level. Darlene is working very well on her Remixed Trailer Edit and will develop enough editing skills to apply to her stop motion animation TV advert. Keep up the good work.

Sherine George.
