#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments:

You are doing well on the course, but must ask your teachers for help in the class when you need it. You still have to pitch your idea for your advert to Sabina and myself; a specific date will be arranged after Easter. You have good relationships with your peers and teachers. Keep on the good work

Sonia Kobal.
