#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Keiland, you had a rocky start to this year but have pleasantly surprised me, you have been making changes to turn yourself around, you are a very good and hardworking student. You have settled in nicely to your group and the course, I could only ask that you keep up the good work and behaviour.

#### Review:

Keiland, over the last few months your attitude to learning and your behaviour in class has dramatically improved. Well Done. At present you have the following assignments to complete or to upload:

- · 1.2- To re-upload as I was unable to open the document on E-Zone
- · 14.2- P5
- · 5.1- Pass Criteria

Please ensure you complete 14.2 as a priority; however you must ensure that you leave yourself enough time to complete 5.1 to ensure that you do not fall behind.

Remember to progress to level 3 you have achieved the following:

- · Achieve a Merit overall on your BTEC course
- · Have your attendance and punctually at 90% or above
- · Pass your functional Skills assessments
- · Have a good attitude towards learning

Keep up the good work:D
