#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn/Spring/Summer

Review: Autumn

Issues Raised: Christian is working really hard, in both the classroom and the workshop. He takes his course very seriously and is very determined to succeed. He regularly goes to the SSC for independent work, which is great. He struggles with his maths, and we are waiting for ALS support in this area, because he responds very well to one-to-one support in the class. He is a pleasure to teach.

Review: I am very pleased with your performance so far this year Christian well done. You have settled in to the group well and are a great team member. Your practical skills are developing well and you show good knowledge and enthusiasm in the theory sessions. Keep up the hard work and I have every confidence you will achieve this qualification.smile
