Review Term: Autumn Review: Issues Raised: Stephen Beckett. Review Term: Autumn Review: Ahmet has only just started on this course but has fitted in very well with the others. He is anenthusiastic member of the group who takes a keen interest in Carpentry & Joinery, He is gradually developing a good general carpentry knowledge and is always willing to share his ideas with the rest of the class during discussion. I have every confidence in Ahmet abilities to achieve his goals and succeed in this qualification.

Review:

Ahmet you are continuing to show good progress in both your practical and theory sessions you are working extremely well and I am impressed with your work attitude and participation in the lessons. If you find some of the task set for you a struggle dont hesitate to ask. Overall you are progressing very well and look forward to a similar level of participation and activity in 2012. Well done.
