As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

We have been doing work involving place value, multiplying, dividing, subtracting and dividing. We have also looked at calculations to do with time in various formats. You has coped with the work and shown an understanding of when to use the different calculation methods. You need to show all of your working out to gain full marks.

Review Term: Autumn/Spring/Summer

Review: Oshane you have not produced the level of work I believe you are capable of. This is because you do not come mentally or physically prepared to work. If you are to be successful you need to change this attitude. The work we are doing is not beyond your abilities you just need to be ready to work and stay focused. You need log in to your keyskills4u.com account at,

http://keyskillstrainer.excellencegateway.org.uk/login.html

and look at calculations to do with time, money, decimals fractions and averages. You also need to complete your targets; I have set you another one. I would suggest that for the New Year you make a resolution to attend all of your classes with the correct equipment i.e. pen, pencil, paper ruler and folder.
