- 86% and below is red status

#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Assessment

Comments:

Francesco it is time to get ready for the electrical wiring assessment which I think you will have no problem with. The effort and the partaking in the classroom as well as in the practical will see you through to a good result.

Review Term: Summer
Review:
Issues Raised:
Francesco, in this early review I can see from talking to your teachers how well you are doing, well done. Try to use your time in maths lesson wisely as needed by your teacher.
Tony Antoniou.
Review Term: Autumn
Review:
Issues Raised:
Francesco, you seem to be doing all rhe good things required of you, well done. Tony Antoniou.
Review Term: Autumn/Spring/Summer
Review:
Issues Raised:
Francesco you need to keep your discipline and concentration from allowing you to wander in the maths lesson. Otherwise you seem to be moving forard well.

Tony Antoniou.
