#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

You took 4 practical unit assessments in decorating last year and completed them successfully. This year you have fallen behind due to lack of attendance and motivation. However, I have seen an improvement in your attendance, punctuality and your motivation in class which I would like you to see you continue.

#### Issues Raised:

At present your attendance is 35% and your punctuality is 57%. Both of these are below the college targets of 100% and means that you are missing important lessons or assessments. We need to see an immediate improvement in both attendance and punctuality to prevent you from failing the course or from us taking further disciplinary action.
