The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Unit 1 - The Body in Action	·	·	

The unit which is being taught this term is unit 1 Body in Action which is part of their BTEC National Sports qualification. So far we have looked at the skeletal, muscular and cardiovascular system and will continue looking at the respiratory and energy system in the next few weeks. This unit gives the student an insight into how the body systems work and help with exercise and their effects.

The unit which is being taught this term is unit 22 Organising Sports Events which is part of their BTEC National Sports qualification. We have looked closely at the different events which are currently happening in the sporting world such as the World Cup, Wimbledon and the Ryder Cup to name a few. We analyse how these events are structured and organised for them to be as successful as they are to this present day. The student will also be running a sports event of their own to a group of students to experience the pressures of running and organising a sports event.

The unit which is being taught this term is unit 25 Work Based Experience in Sport which is part of their BTEC National Sports qualification. This unit looks at the different job opportunities there are in the working world of fitness, sport & exercise. The student will undertake a week's work placement where they will gain first hand experience of how it is to work in a sporting environment.

Aaron is a bright young man and has potential to do very well on this course. Aaron has shown good understanding of the subject areas and is a confident and outgoing student. Aaron biggest problem is his time keeping and this must improve if he wants to do well on the course. Aaron's target is to ensure he leaves his home at a reasonable time to allow him to reach his 9am lessons on time.

Review:

Issues Raised: Aaron is making good progress this term and should aim to continue to follow targets to improve attednance and hand in assignments on time

Amanda Neufville - Austin.

Review Term: Stage 1 Disciplinary

Review: Aaron's attendance has dropped below 85% which is not the agreed target set by the college and this is not acceptable at this level.

Issues Raised:

- 1. Attend all classes for the next two weeks and be on time to these classes. This will be reviewed on 07/12/2010.
- 2. Ring college or email if you are running late or going to be absent before 8.30am. Tel: 0208 802 3111 ext 3329 or nkapdi@staff.conel.ac.uk

These targets will be reviewed on 07/12/2010 and if any of these are broken this will result in a stage 2 disciplinary with T.Rees.

Review Term: Autumn

Review:

Aaron is a good student and it has been a nice to teach them because their attitude to their studies is good. I have no doubts Aaron will pass the course with a good grade and they are currently working at a pass/merit grade. Aaron attendance and punctuality is good and they come to lessons well prepared and ready to learn. Aaron needs to ensure they continue to attend lessons and come prepared to class as the sport course is very demanding and requires a lot of research outside of class time.

A suggested target for Aaron is to continue to attend all lessons on time & to engage more in class activities

Issues Raised:

Review Term: Autumn/Spring/Summer

Review:

Has had a good year so far and is doing some good work with reports and presentations. Must ensure they continue to work hard until the end of the year to ensure they meet UCAS deadline to go to university. Aaron is predicted to pass the course with MPP.
