#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn/Spring/Summer

Review:

Issues Raised: Attendance & punctuality

Sana's attendance and punctuality continue to be of concern, this has placed Sana in a situation which means she is significantly at risk of not completing the course due to lack of coursework and completion of practical assessments.

Sana is more than capable of completing this course if she puts her mind to it however I sense a lack of commitment from her.

Your targets for this term are to attend all classes on time, complete your skin care task, structure and function of nails task and practical assessments (manicure).
