## The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

## **Comments / Reference / Targets**

Jasmine has made some excellent projects here this term and is setting the standard amongst her team mates. She is clearly one of the most able in the group where other students hold her in high regard. I am looking forward to seeing her progress at the end of the year and certainly would be a candidate for student of the year. Well done and keep it up!

## Comments / Reference / Targets

Smart Targets: Keep up the good work and developing your skills.

The level 1 Creative Media course is designed to equip learners with a variety of skills in video production, music technology and graphic design, whilst encourage learners to develop their understanding of creative media job roles and media knowledge. In addition to this, learners are to attend functional skills classes to improve upon basic numeracy, literacy and ICT.

So far learners have completed an induction activity whereby they learnt about the creative media sectors and job roles. Learners are currently working in small group to film a trailer for a specific genre and to target a specific audience.

Comments:

Jasmine's attendance and punctuality is very good. She tries her best to complete tasks to a high standard and always meets deadline. Jasmine did very well in the induction activity by researching a range of job roles and media sectors. Jasmine is always committed and her enthusiasm really shows. Jasmine is doing very well and is continuing to develop her practical and theoretical skills. I see a great future for Jasmine in the media industries due to her polite, organised and enthusiastic attitude.

For Functional Skills Jasmine is superb and will be able to pass the exam. Well done

Sherine George.

Jasmine has made a good start to the course and is enjoying her studies. Jasmine is enjoying the practical side of the course such as camera work and music production. I am happy with her attitude in class where hse is always responsive and keen to work with others.

I would like Jasmine to realise that on a couple of occassions she has been late. Please do not let this become a habit!
