#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

**Smart Targets:** 

Units completed to date are UB 100B3 Assist with Day Make-up , UB 100B1 Prepare and Maintain Salon Work Areas and B2 Assist with Facial Skin Care Treatments.

Comments:

Natalie is a friendly and helpful member of the group. Natalie has grasped the routines and skills in the above units but Natalie needs to now work on clients to practice these skills. Natalie always works with enthusiam but she must remember to maintain and work in a professional manner which is necessary for the industry she is training in. Sometimes Natalie can be distracted in her practical class but when she is working she is focussed on the job required. Natalie needs to practice her facial routine at home and familiarise herself with the products used in facials. Attendance is good. Well done this term Natalie you worked really hard!

Review Term: Autumn

Review: Natalie, you are progressing very well, you have achieved all the targets i have given you and your beauty teacher also said that your are doing very well in her lessons.

Issues Raised: For this term, I would like you to pay more attention on your practical and improve your professionalism as we are going to be dealing with clients.

- 1. you can do that by timing yourself when preparing
- 2. ensure all your tools are placed neatly on your station

I will be reviewing your progression in 6 weeks
