The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Deniz, you always make good contributions when you are in class, especially in functional skills English. You did very well in the level 1 functional skills ICT assessment. However your attendance in both classes has become a bit patchy. Please address this and make sure to attend all classes.
