The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

This term all learners are working in an assessment salon. A full service must be completed on a client to ensure that all units are cover and portfolios are complete. Nazlican is punctual and shows commitment to her role as a stylist. She works well individually and also as a team member. She is always keen to assist others when needed. Keep up the good work Susan Murray.
