As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

Brayan is an extremely able and enthusiastic member of the group who takes a keen interest in construction and appears to enjoy all aspects of the work. Brayan is also a friendly member of the group who displays considerable interest in the subject and participates in practical work with enthusiasm. His test results (and the recent exam result) have been generally quite good, but would benefited, I am sure, from extra revision. I hope he can sustain his current interest in and enthusiasm towards construction. A very impressive first term. Well done!
