#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review: Jason you have settled in to the group well and show great intuition. You clearly have the ability to learn the trade and I have every confidence in you. However, i am concerned that as you started late and have missed two weeks through sickness that you may fall far behind and struggle to catch up. If you could arrange a 1 to 1 tutorial with me to discuss this matter I would be very grateful. Your hand skills are progressing well and you show good enthusiasm in the theory classes keep it up !!!!smile
