The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review: Coursework

Issues Raised: Level 1 Diploma Evidence

Leo has completed several basic joints, however the practice test frame has had many attempts and Leo fails to finish any pieces of his work.

There is still much more potential in Leo but lacks the incentive to carry out the work.

His **mobile phone** is a constant distraction, which is also affecting his progress.

If Leo doesn't put in 100% effort I cannot foresee Leo completing his course.

Kevin Solomon.
