The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Less talking during lessons

Dana, even though you're quite talkative, you're still a pleasure to teach. The

quality of the work produced for this unit is of a high standard keep it up.

Don't be afraid to make mistakes (this is how you improve). I must say on

your behalf Dana that over the last 3 weeks you have been more engaged in

your work and therefore less talkative, so well done.

Elizabeth Eugene.
