**Learner: Evans Brenya** 

**Personal Tutor: Llewelyn Gamble** 

### **Key to Attendance and Punctuality percentages**

- 100% to 92% is green status
- 91% to 87% is amber status
- 86% and below is red status

#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Make 10 new words (4 letters or more) from BEAUTIFUL using each word only once. Make 5 sentences using two of your words in each sentence.

Comments:

We have done some free writing and worked on sentences, spelling and reading. Evans has never missed a lesson but struggles with spelling and grammar. He is currently receiving ALS outside of the lesson. Llewelyn Gamble.

Smart Targets: Name 3 different types of cable and say where they can be used.

#### Comments:

We have been working on measuring, cutting, threading and bending metal conduit. Evans has coped well with the work so far even though he finds it difficult to use the bender and get the bends and measurements accurate.

Smart Targets:

Look at your bksb diagnostic results and complete the first of the Interactive Resources exercise. Print off the results and bring them to your class.

Comments:

We have been doing work involving place value, multiplying, dividing, subtracting and dividing. We have also looked at calculations to do with time in various formats. Evans has coped with the work and shown an understanding of when to use the different calculation methods.

Hello Evans, I would like you to continue with the tasks of preparing your board for decorating to be completed by 31<sup>st</sup> October 2011. I would then like you to have some practice at both sponging and wood graining paint methods to be finished by 7th November 2011. You can continue with cutting out the letters of your name in block capitals from stencil paper in between the above

tasks.

You have worked very hard on preparing your board because of the damage

to it, so well done.

Calvert Smart.

Review Term: Autumn/Spring/Summer

Review:

Issues Raised: Problems with reading and writing - Now getting ALS

You have successfully completed Unit 035 Cutting Bending and Threading Conduit. There were many new challenges but you overcame them and completed the task well done. You have coped well with the tasks you were given in Maths which were to do with solving problems using multiplication, division, addition and subtraction. In English you worked on spelling, reading and writing. In reading you looked at persuasive texts such as you would find in advertising. In writing you learnt about sentences and punctuation. You also took part in discussions as part of Speaking and Listening. You have struggled with your English and Maths, but now that your ALS is in place things should become easier.

Evans you have worked hard this term but still find Maths and English difficult. Keep attending your ALS classes and things will improve even though the progress is slow. You must also keep using your Keyskills4u.com account and the VLE maths resources in the ezone. You are making progress keep working hard. You did very well in your practical classes and completed your electrical unit very early. You demonstrated very good hand skills and showed you were willing to do some hard work. Well done. You are making progress keep working hard.
