# The College of Haringey, Enfield and North East London

# **Learner Review**

27 January 2012

Learner: Zafar Enginpinar

**Personal Tutor: Lauren Maloney** 

# **Key to Attendance and Punctuality percentages**

- 100% to 92% is green status
- 91% to 87% is amber status
- 86% and below is red status

## The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

# **Subject Targets**

| Subject                     | Attendance | Punctuality |  |  |  |
|-----------------------------|------------|-------------|--|--|--|
| YPC C&G Intro Cert Basic    |            |             |  |  |  |
| Construction Y10 & Y11      |            |             |  |  |  |
| YPC City & Guilds           | 100%       | 89%         |  |  |  |
| Introductory Cert in Basic  | (10)       | (4)         |  |  |  |
| Construction Skills Y10 (T) |            |             |  |  |  |
| (Tutorial and General Unit) |            |             |  |  |  |
| Modules:                    |            |             |  |  |  |
| K41MCNT1-0DA21A/PRA Pra     | ctical     |             |  |  |  |

## Comments / Reference / Targets

The practical activities Zafar has been doing are:

- · Reading construction drawings to take timber sizes, types of joint and measurement information from it.
- Selecting suitable timber to construct timber joints
- Identifying and using safely the tools required to produce timber joints
- · Marking out, cutting and assembling a timber joint dry
- Making a scale drawing of a Galleon of own design.

For underpinning knowledge Zafar should now be able to:

- State the basic health and safety implications of using timbers and cutting tools
- State the need for accuracy in marking out and cutting materials
- State the need for work to be clean
- State the principles involved in maintaining tools in good condition.
- State the metric measurements used in timber technology

Zafar has shown that he can learn some basic skills in carpentry, however he gets involved in some of the bad behaviour that some of his classmates start. if can meet the standards of the course if he takes his learning more seriously.

S.M.A.R.T.

To improve his behaviour in class and to pass at least 1 practical unit by15<sup>th</sup> December 2010.

#### Calvert Smart.

| Subject  | Attendance | Punctuality |  |  |
|--|------------|-------------|--|--|
| YPC C&G Intro Cert Basic Construction Y10 & Y11 YPC City & Guilds Introductory Cert in Basic Construction Skills Y10 (T) (Tutorial and General Unit) | 87%<br>(4) | 71%<br>(3)  |  |  |
| Modules:   |            |             |  |  |
| K41MCNT1-0DA21A/PRA Practical  |            |             |  |  |

Zafar has shown great improvement in the standard of his work. Zafar now needs to complete all unit underpinning knowledge in order to complete. This paper work must be complete by agreed date. Lauren Maloney.

## Comments / Reference / Targets

Review Term: Autumn

Review:

You took 4 practical unit assessments in decorating last year and need to complete the paperwork for them as soon as possible. This year I have not been able to review any progress due to lack of attendance.

#### Issues Raised:

At present your attendance is 15%, therefore you are liable for further disciplinary action for non-attendance and possible withdrawal from the course.

Calvert Smart.

Review Term: Autumn

Review:

Issues Raised: Zafar has not attended any session this year. Have sent emails to the school and to the KS4 office raising my concerns. Waiting for the outcome meeting with parents which has been arranged by the school.
