The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Keep taking notes which you are very good at. You will need these so much

to help you with the Unit 103 on-line exam which i am entering your group to

sit just before the christmas break.

You seem to have settled well into the group. You are getting on very well

with theory. I also have no problem with your practical work, you are getting

on very well with it. Well done, keep up the good work.

Gary Waldon.

Review: Well done Andy you are doing so well in practical and theory. I must say you seemed very shy when you started the course but now you seem to be relaxing a bit with everything. Well done.

Issues Raised: Your attendance and punctuality are fantastic. The only thing I can say is just keep up the good work. smile
