#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

#### Review:

This term you have worked very well. However please ensure that you collect any worked and handouts that you may have missed, particularly your practical and theory sessions.

Amend your Work Skills assignment by correcting spellings and add capital letters at the beginning of sentences and add further information. You will also need to set your self a target to improve your progression and your ability to use the Ezone. This should be completed by 16th Jan 2012.
