#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

Well Done Jordan, you have had a very good start to this year. You have settled in nicely to your group and the course, I could only ask that you keep up the good work and behaviour.

Natasha Debono.

Review Term: Autumn

Review:

Students have been working on identifying different forms of writing, purpose, intended audience, using formal language, identifying facts & opinions, layout of formal/informal letters, sequencing ideas, reading strategies, spelling strategies, punctuation, types of texts and group discussions.

Jordan is a committed learner who puts in a lot of effort in his work. He can use capital letters and end of sentence punctuation in his writing. However, to achieve Level 1, we'll continue to work on developing detail, using paragraphs and appropriate vocabulary.
