As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review:
Attendance 95.78%
Punctuality 96.23%
You are making good progress and always work hard to complete set tasks. You have good study skills and work well with others in the class.
Speaking and listening - You are confident and can express yourself clearly. You need to use the present more in your speaking e.g. 'I haven't finished reading that book yet'.
Reading - in the last mock test you scored 77%. This is good but you still need to develop skills in identifying key words and phrases in the text. Read text in detail to obtain specific information and identify the key points Read a short newspaper article and highlight the key points.
Writing - you are gaining confidence but need to use preposition in, to, for, at, from accurately. You are aware of this and have used grammar exercised to help.

Farzaneh'sattendance is good and her punctuality is excellent. Well done - keep it up!

She is a very active student in class and works well on her own and with others.

Her level of reading, writing, speaking and listening are all good.

She has complete 3 units in EDEXCEL Workskills and now she will need to work hard in all her lessons to complete all of the EDEXCEL Personal & Social Development Units within the deadline.

I am confident that with continued effort she will have no difficulty in passing the Entry 3 Speaking and Listening exams in April 2012.

Issues Raised: None
