The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review: Well Done Sebastian, you have had a very good start to this year. You have settled in nicely to your group and the course, I could only ask that you keep up the good work and behaviour.

Issues Raised:

Review Term: Autumn

Review:

Students have been working on identifying different forms of writing, purpose, intended audience, using formal language, identifying facts & opinions, layout of formal/informal letters, sequencing ideas, reading strategies, spelling strategies, punctuation, types of texts and group discussions.

Sebastian works hard to improve his work to the best of his ability. He understands most of the topics covered in the period under review. However, in order to achieve L1, he needs to work on his vocabulary and sentence construction. He also needs to communicate more with others in the group. He could achieve this through speaking out in class, self study and additional support.

Review Term: Autumn/Spring/Summer

Sebastian, you have maintained a good attitude towards learning and the college environment throughout the year, well done.
