The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

During the last 7 weeks Roney has been working towards completing her 005 unit (Introduction to basic hairdressing). The unit involves carrying out a variety of styling techniques to a professional standard. Part of this unit also involves writing 2 assignments.

Roney needs to make great improvement all round. She is lacking motivation and discipline.

An improvement target for Roney is to concentrate, focus and try harder to achieve her goals.

Ronay has been looking at reception duties and personal presentation over the last 7 weeks.

Ronay has been focussing on the different levels of services provided by the Salon, the image they are reflecting and the experience of their clients.

Ronay has developed an image she can aspire to and has logically put ideas together to demonstrate her understanding of the units.

Ronay can improve by logging into www.smartscreen.co.uk and testing and develop her knowledge in the current unit; it is a great revision tool also.

Smart Targets: work with team members more.

Comments: getting better but still needs to work with everyone in group.

Overall good work produced and on track to achieving course. Attendance good needs to participate more and work with group. Prefers working on her own.

Review Term: Autumn

Review:

Generally a great learner; she would benefit from reading more to help her communication skills which is paramount in regards to being a wonderful hairdresser one day!

Issues Raised:

Poor concentration.

Rachel Japal.

Review Term: Autumn/Spring/Summer

Review: A good student. Always brings her notes to lesson. Remembers routine well.

Issues Raised: Needs to work more with others, enjoys painting her own nails. Needs to transfer that enthusiasm into painting other peoples nails.

Lisette D'Cruz.

Review Term: Autumn/Spring/Summer

Review: Autumn

Issues Raised: need to work with group prefers working on her own.

Lisette D'Cruz.

Review Term: /Spring/

Review: Ronay is very intelligent, and, could, if she applied herself, achieve well at this college. She has potential. But her poor attendance levels needs to be addressed if she wants to achieve this year - and progress onto level 2.

Issues Raised: Attendance. There seems to be a particular problem with Tuesdays, and English in particular.
