The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Spring

Review:

Well done, Nurhan, you have excellent attendance and punctuality. You also passed the mock Speaking and Listening Exam.

In the last term we covered Healthy Living topic and started Edexcel Personal and Social Development Unit 8. You did an excellent job to meet all the deadlines to complete this assignment.

As we agreed in your tutorial, you need to work on using full stops and capital letters in writing.

Although you do an excellent job working really hard in class, you need to be careful with jokes and talking Turkish during lessons. Some people do not like jokes and speaking Turkish may prevent you to improve your English language skills.

Issues Raised: jokes in class

talking Turkish during lessons
