The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Smart Targets: Deadline

You need to submit the first interim deadline for task A on Friday 18th

November.

Comments: Iholisia your attendance is very low at 66% if you are not in lesson you are not

learning and this will make it very difficult for you to understand the cruise stages and developments. You really need to make sure you attend all your lessons and catch up with missed lessons so that you do not fall behind.sad

Whilst Craig Nottingham, your tutor for this unit, is absent from College due to

ill-health, you should use the study time to get ahead with the work,

assignments and assessments for the units being delivered by your other tutors. You will then be able to focus on this unit again at a later stage in the

year. This means that you should be able to submit work early for other units and there is no excuse for not meeting deadlines.
