#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

Students have been working on identifying different forms of writing, purpose, intended audience, using formal language, identifying facts & opinions, layout of formal/informal letters, sequencing ideas, reading strategies, spelling strategies, punctuation, types of texts and group discussions.

Odaine is a very calm, knowledgeable and helpful member of the group. He is a joy to teach. He has very good writing, reading, speaking & listening skills. He displays leadership qualities during discussions and respects the turn taking right of others.
