#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn
Review:
Attendance - 96%
Punctuality - 93%
Well done, you have kept your attendance above the target at 93% and your punctuality is also very good.
You are behind with one task for the tutorial work (Listening Report due 12th Dec) but usually complete your homework on time. In class you usually pay attention quite well when the teacher is talking however your mobile phone should never be used in lessons.
In order to improve you need to practise reading questions and understanding them properly before answering them, improve your spelling, start to use paragraphs, past simple and present continuous correctly.
If you continue to work and attend in the same way I am quite confident that you will be able to pass the Speaking and Listening exam and complete the Personal and Social Development Portfolio assignments in time.
Issues Raised: Need to hand in your overdue tutorial listening task.

Review:

Hoang is progressing quite well. His attendance is very good and his timekeeping too. He is quitely confident but does not answer many questions in class. He uses his mobile phone too much in class and has to be told many times to stop using it.

His speaking is quite good and she has a sound pronunciation of most words, except 'v' and 's'. In the recent Mock exams for speaking and listening he passed with 23/30. He needs to concentrate on prepositions, using the correct verbs in sentences, tenses and forming questions.

He didn't make any mistakes with listening part of the mock exam but still needs to practise his listening more by completing his tutorial targets and watching as much TV at home in English as he can. In addition he needs to find friends and social activities which will involve him speaking English to increase his language skills.
