As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Whilst Craig Nottingham, your tutor for this unit, is absent from College due to

ill-health, you should use the study time to get ahead with the work,

Smart Targets: assignments and assessments for the units being delivered by your other

tutors. You will then be able to focus on this unit again at a later stage in the year. This means that you should be able to submit work early for other units

and there is no excuse for not meeting deadlines.
