The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments:

Darell is a highly capable learner. Where he lets himself down is in his attendance at college. His failiure to turn up to practical sessions will see him unable to get higher than a pass or even a fail if he does not improve. On a positive not his other work is usually to a high standard and he has generally acheived MERIT levels with some work at DISTINCTION. He should aim to get all work up to MERIT level during quiet times.

Review Term: Autumn

Review: Darell has made a good start to the course. His knowledge level of both practcal and theory is high and he is a well liked and respected member of the group. He contributes well in class and shows a keenness to progress in his work. His attendance is low due to personal reasons, which are entirely understandable, yet I am convinced he will achieve a very high grade.
