As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review:

Luke has only just started on this course but has fitted in very well with the others. He is anenthusiastic member of the group who takes a keen interest in Carpentry & Joinery, He is gradually developing a good general carpentry knowledge and is always willing to share his ideas with the rest of the class during discussion. I have every confidence in Luke abilities to achieve his goals and succeed in this qualification.
