The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Subject Targets

NVQ L2 Hairdressing (T) Unit GH12: Cut hair using basic techniques	75% (3)	100% (10)	
Modules:			
NV2MHRY5-0DA21A/PRA Practical			

Comments / Reference / Targets

For this term the learner have been introduced to cutting hair using basic techniqes. They have developed and demonstrated their skills in cutting by practicing on a block during a practical session.

Charlotte works well when she puts her mind to it and can produce good work.

Charlott target would be to try and complete task during lesson and less chatting to others.

NVQ L2 Hairdressing (T) Unit G20: Ensure your own actions reduce risks to health & safety (NVQ L2 Hair) (T)	73% (3)	88% (4)
Modules:		
NV2MHRY5-0DA21A/THR Theory, NV2MHRY5-0DA21A/PRA Practical		

Comments / Reference / Targets

Smart Targets: focus more in lesson and practice all hairdressing techniques eg. B/D, setting Comments:

learners have been working on unit G20 health and safety, they understand and are aware of all the health and safety legislations and acts. they are able to follow them and put into practice what they have learnt in the salon.

Charlotte needs to improve her attendance for theory and practical, she is falling behind and is finding it hard to understanding. For Charlotte to complete this course she needs to be more focused.

My advise and target for charlotte is to turn up for each lesson and less chatting and more work.

Comments:

You are at the final stages of your chosen course in hairdressing, at this stage you only have a minimal number of outcomes to be achieved. As the New Year has approached us your academic year will end before you know it, so I strongly advise you to think SMART by

Sending out broadcasts tweets to your family and extended friends to be models for you or your pears to gain assessments

Approach people on your everyday travels with your specific needs

Enquire at the style zone for additional sessions for maximum assessment opportunity

Book your reception duties ASAP so the unit can be signed off

Use city and guilds revision tasks when preparing for exams in order for maximum results

If you are considering in progressing onto level 3 hairdressing or any other course in the college you are required to adhere to the colleges minimum target grade of 87% attendance, so my advice to you is to attend every session if you would like to see yourself enrolled on a course in September 2012!

Charlotte has been exploring the amazing world of hairdressing! In practical we have been analysing the various styling techniques relevant to his course and the most suitable styling products available to carry them out to maximise effects! In theory we have discussed the benefits of a vigorous consultation and methods used to advise the clients.

Charlottes attendance needs to improve; poor attendance has impacted her learning and left a skills gap in her knowledge. A full commitment needs to demonstrated from Charlotte and if focussed she could really enhance her knowledge and be a great achiever!

I would like Charlotte to use the library's resources to extend her basic knowledge of this industry! Areas for improvement would her Cutting and Colouring! She would benefit from keeping her skills updated by working on her block and working in a salon.
