The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments / Reference / Targets

to improve her attendance of 76% to 87% by end of March.

to look at some English courses to improve her English in the summer term. Done wants to do Apprentishi[p so this will need to be at L2 to enable her to get on the course.

To work through her set action plan and to complete her assessments in hair as per action dates.

Done is working at a good pace in her hairdressing. The only negative is her attendance to classes and this will need to improve if she is planning on coming back to do the apprentiship at L2.

Done is experiencing some difficulties in English and I have suggested she tries to get some additional English support in English.

Done has completed 74% of her exams so far .
