#### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn

Review: Victor is a reserved member of the group but needs to start showing more application during his practical and functional skills sessions. He tends to stand around too much and needs to spend more time working on his theory and practical training rather than waiting to chat to his classmates.
