The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Comments:

Alin is serious about studying. He always works hard during the lessons and finishes most of the work early. Sometimes I ask him to help and explain the tasks to others once he has finished his work. This will consolidate his learning and help him to interact with others in the class. Understands everything taught so far. No issues.

In order to improve you still need to work onyour

handwriting, as it is very difficult to read. We agreed on what

is needed and what you would do and that's now in the

personal targets for the next ½ term.

Issues Raised: You have not been able tocomplete all the set targets on your ILP last term.
