### The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Kamil has continued being an excellent student. His attendance is 95% and punctuality is 100% at the moment.

He has done very well and passed his mock test. He is now getting ready for his Speaking and Listening exams which will take place in April.

He is working towards a qualification called PSD (Personal Skills Development). He has completed 2 of the assignments - Working Towards Goals and Healthy Living. He will still need to complete 5 more assignments in order to get his qualification. These are; Dealing with Problems in Daily Life, Developing Self, Preparation for Work and Working as a part of a Group and Preparation for Work. These assignments are mainly completed during the lessons but some tasks have to be completed for homework.
