The Learner Review Procedure

Each learner will have met with their Personal Tutor for a 1 to 1 review to discuss the progress they are making at college and any specific support they may require to help them achieve their targets and qualification.

As part of the review each Subject Lecturer completes a report and then the Personal Tutor summaries these in the Personal Tutor Summary. Targets are then set for each learner.

Review Term: Autumn
Review:
Daniel has good attendance and punctuality in the course except in Functional Skills. This should improve immediately, in order to demonstrate the absolute commitment.
He has made excellent progress in the course during the Autumn period in all subjects and in all areas of the course. He is always prompt with all his work and seems to be very organised. Daniel is an example to other students who would want to improve their work and do well. His performances on the different parts of the course are very good and he has excellent references from all his teachers.
Well done so far and try to maintain the standards set in the first term
